PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Morgan's Foods, Inc., an Ohio corporation (the "Company"), for use at the Annual Meeting of Shareholders of the Company (the "Meeting") to be held at the Marriott Cleveland East, 26300 Harvard Road, Warrensville Heights, Ohio 44122, on Friday, June 26, 2009 at 10:00 a.m., Eastern Daylight Time, and at any adjournment thereof.

This proxy statement and accompanying notice and form of proxy are being mailed to shareholders on or about June 5, 2009. A copy of the Company's Annual Report to Shareholders, including financial statements, for the fiscal year ended March 1, 2009 (the "2009 fiscal year") is enclosed with this proxy statement.

The presence of any shareholder at the Meeting will not operate to revoke his proxy. Any proxy may be revoked, at any time before it is exercised, in open meeting, or by giving notice to the Company in writing, or by filing a duly executed proxy bearing a later date.

If the enclosed proxy is executed and returned to the Company, the persons named therein will vote the shares represented by it at the Meeting. The proxy permits specification of a vote for the election of directors, or the withholding of authority to vote in the election of directors, or the withholding of authority to vote for one or more specified nominees.

Where a choice is specified in the proxy, the shares represented thereby will be voted in accordance with such specification. If no specification is made, such shares will be voted at the Meeting FOR the election as directors of the nominees set forth herein under "Election of Directors".

Under Ohio law and the Company's Articles of Incorporation, broker non-votes and abstaining votes will not be counted in favor of or against election of any nominee.

The close of business on May 13, 2009, has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Meeting. As of May 13, 2009, the Company's outstanding voting securities consisted of 2,934,995 Common Shares, without par value, each of which is entitled to one vote on all matters to be presented to the shareholders at the Meeting.

ELECTION OF DIRECTORS

At the Meeting, shares represented by proxies will be voted, unless otherwise specified in such proxies, for the election of the seven nominees to the Board of Directors named in this proxy statement and the enclosed proxy. These nominees were selected by the Board of Directors and will, if elected, serve as directors of the Company until the next annual meeting of the shareholders and until their successors are elected and shall qualify. All of the nominees are currently members of the Board of Directors and all nominees have consented to be nominated and to serve if elected. If, for any reason, any one or more nominees becomes unavailable for election, it is expected that proxies will be voted for the election of such substitute nominees as may be designated by the Board of Directors.

If notice in writing is given by any shareholder to the President or the Secretary of the Company, not less than 48 hours before the time fixed for holding the Meeting, that such shareholder desires that the voting for the election of directors shall be cumulative, and if an announcement of the giving of such notice is made upon the convening of the Meeting by the President or Secretary or by or on behalf of the shareholder giving such notice, each shareholder shall have the right to cumulate such voting power as he possesses at such election and to give one candidate an amount of votes equal to the number of directors to be elected multiplied by the number of his shares, or to distribute his votes on the same principle among two or more candidates, as he sees fit.

If voting for the election of directors is cumulative, the persons named in the enclosed proxy will vote the shares represented by proxies given to them in such fashion as to elect as many of the nominees as possible.

The table below sets forth, as of May 13, 2009, certain information about each of the nominees for director. **The Board of Directors recommends that you vote “for” the following nominees:**

Leonard R. Stein-Sapir	70	Chairman of the Board and Chief Executive Officer of the Company (April 1989 to present)	1981

Lawrence S. Dolin also serves as a director of Falconstor Software, Inc., a company in the business of providing software IP storage.

The Board of Directors has determined that each of the following directors is an “independent director” as defined by the listing standards of The Nasdaq Stock Market: Lawrence S. Dolin, Bahman Guyuron, Steven S. Kaufman and Bernard Lerner.

The Board of Directors has an Executive Committee, an Audit Committee, and a Compensation and Human Resources Committee. The Company does not have a nominating committee. The Board of Directors as a whole functions as the nominating committee due to the relatively small size of the Board and the smaller market capitalization of the Company.

The Executive Committee consists of Leonard R. Stein-Sapir (Chairman), Lawrence S. Dolin, Bernard Lerner and James J. Liguori. This committee has the authority, between meetings of the Board of Directors, to exercise substantially all of the powers of the Board in the management of the business of the Company.

The Audit Committee consists of Lawrence S. Dolin (Chairman), Steven S. Kaufman and Bernard Lerner. This committee, as set forth in more detail in the Audit Committee Report below, approves the Company’s retention of independent auditors and pre-approves any audit or non-audit services performed by them. It reviews with such accountants the arrangements for, and the scope of, the audit to be conducted by them. It also reviews with the independent accountants and with management the results of audits and various other financial and accounting matters affecting the Company. The Board has determined that Lawrence S. Dolin qualifies as an “audit committee financial expert”, as defined in the rules of the Securities and Exchange Commission.

The members of the Compensation and Human Resources Committee are Bernard Lerner (Chairman), Lawrence S. Dolin and Steven S. Kaufman. This committee administers the Company’s compensation, benefits and stock option plans. At its meeting on June 22, 2007, the Board of Directors of the Company adopted a charter establishing the duties and responsibilities of the Compensation and Human Resources Committee of the Board of Directors.

A copy of the charter of the Audit Committee and of the Compensation and Human Resources Committee was attached as an appendix to the Company’s proxy statement for 2008.

The Board of Directors met four times, the Audit Committee met four times, the Compensation and Human Resources Committee met twice and the Executive Committee did not meet, during the 2009 fiscal year. Each director currently serving on the Board attended 75% or more of the meetings held during such year by the Board and the committee(s) on which he served. The Company encourages the attendance of all directors at the annual shareholders meetings. Four of the Company’s directors attended the annual shareholders meeting last year.

Nominations for Director are made by the Board as a whole. When selecting new Director nominees, the Board considers any requirements of applicable law, as well as a candidate’s strength of character, judgment, business experience, specific areas of expertise, and factors relating to the composition of the Board (including its size and structure). The Board will review any candidate recommended by shareholders of the Company in light of its criteria for selection of new directors. If a shareholder wishes to recommend a candidate, he or she should send his or her recommendation, with a description of the candidate’s qualifications, to the Secretary of the Company, Kenneth L. Hignett, 4829 Galaxy Parkway, Suite S, Cleveland, Ohio 44128.

AUDIT COMMITTEE REPORT

The Audit Committee is composed of three directors, all of whom are independent under the Sarbanes-Oxley Act. The Committee operates under a written charter adopted on June 23, 2000, reviewed annually and ratified most recently on June 22, 2007. The Committee's responsibilities include oversight of the Company's independent auditors as well as oversight of management's conduct in the Company's financial reporting process. The Committee also approves the Company's retention of independent auditors and pre-approves any audit or non-audit services performed by them. Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon. For fiscal 2009, the Committee met and held discussions with management and the independent auditors. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Committee discussed with the independent auditors matters required to be discussed by Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Oversight Board in Rule 3200T. The Company's independent auditors also provided to the Committee the written disclosures and letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communication with the Committee concerning independence. The Committee discussed with the independent auditors their firm's independence.

Based on the Committee's discussion with management and the independent auditors and the report of the independent auditors to the Committee, the Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended March 1, 2009 for filing with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Administration of the Compensation Plan - The proxy statement disclosure rules of the Securities and Exchange Commission require the Company to provide certain information concerning the compensation of the Principal Executive Officer and the other executive officers of the Company. The Company's compensation plan is administered by the Compensation and Human Resources Committee of the Board of Directors and decisions on the compensation of the Company's Officers are made by the Committee.

Objectives of the Compensation Program - The objective of the Company's compensation program is to provide competitive compensation to retain key management and to reward them for success in increasing shareholder value.

Principles of the Compensation Program – The Company’s compensation program is formulated to recognize the abilities and experience which each executive brings to his position. The annual review is expected to reward executives for the successful performance of their duties and to provide an incentive for future performance.

Elements of Compensation - Compensation of the Company’s executive officers and officers consists primarily of base salary and stock option grants. The Company also provides a matching contribution to deferred compensation under a 401(k) Plan described in a separate section of this proxy statement. Stock options are used by the Company to align the interests of executives more closely with those of the shareholders. The granting of stock options also aids in the retention of high quality executives by providing long-term incentives. The Company has no formal bonus plan for executives. The Board of Directors has in the past authorized discretionary bonuses for executives. The Company does not provide retirement benefits.

Base Salary - Since 1999, the Company has relied on its own informal surveys of compensation levels to gauge the reasonableness of the compensation of Leonard Stein-Sapir, the Company’s Chief Executive Officer. Mr. Stein-Sapir’s compensation was at an annual rate of \$250,000 at the beginning of the 2005 fiscal year which was unchanged since February 28, 2000 but was voluntarily reduced at January 1, 2005 to an annual rate of \$25,000, was raised to \$50,000 in April 2006 and to \$125,000 in August 2006 and has continued at that rate through the end of fiscal 2009.

All executive officer salaries are reviewed on an annual basis. In deciding on changes in the annual base salary of the Chief Executive Officer the Board considers several performance factors. Among these are operating and administrative efficiency and the maintenance of an appropriately experienced management team. The Board also evaluates the Chief Executive Officer’s performance in the area of finding and evaluating new business opportunities to establish the most productive strategic direction for the Company. Salary changes for other executives are based primarily on their performance in supporting the strategic initiatives of the Chief Executive Officer, meeting individual goals and objectives set by the Chief Executive Officer, and improving the operating efficiency of the Company. Also, where applicable, changes in the duties and responsibilities of each other executive officer may be considered in deciding on changes in annual salary. Due to the cash needs of the Company, the salaries of the Chief Financial Officer and the General Counsel were also voluntarily reduced to an annual rate of \$25,000 annually, effective January 1, 2005, increased to \$50,000 in April 2006 and then to \$100,000 in August 2006 where they have remained through the end of fiscal 2009.

Compensation and Human Resources Committee Report

We have reviewed and discussed with management the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K and, based on the review and discussion, we recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.
